MAP SOLIDIFIES FOUNDATION FOR FUTURE GROWTH

Jakarta, 7th May 2018 - Indonesia's leading lifestyle retailer, PT Mitra Adiperkasa Tbk (MAP) announced today, during the company's public expose, various strategic initiatives to strengthen the company and solidify its growth foundation.

Commenting on these strategic initiatives, Fetty Kwartati, Head of Corporate Communication of MAP said, "Due to restructuring and better efficiency of MAP after Transformational Agenda 2014-2016, we posted record net revenue of Rp 4.3 trillion for the first quarter of 2018 - a 19% increase over the corresponding period in 2017. Operating profit also showed jumped 36% percent from Rp 183 billion to Rp 248 billion. As a consequence of restructuring, there was a one-time write off as part of the company's strategy to strengthen the foundation for future growth. Following lessons learnt from this strategic restructuring, closure of stores and one-time write off, the leaner and more efficient MAP is now better positioned for long term sustainable profitable growth in 2018 and beyond."
